

In June 2023, the Fort Atkinson Police Department purchased its third K9, Smitty. Smitty was purchased through funds raised by community donations and fundraisers. Smitty was purchased and trained by Jessifany Canine LLC. Smitty was one and a half years old when he entered service. Smitty is a pure-bred Belgian Malinois, that was imported from Bulgaria. Smitty is trained as a dual purpose K9. This means that he is trained in narcotics detection, handler protection, criminal apprehension, tracking, and evidence recovery. Smitty enjoys meeting new people at community events.
