Tactical Medical Instructors

The Tactical Medical instructors teach officers how to apply techniques to control life threatening bleeding during Care under Fire in a (HOT ZONE). Additionally, the course teaches officers to perform techniques that treat life threatening and non-life threatening injuries during Tactical Field Care in a (WARM ZONE). Scenario based training is used to develop skills in lifting, moving and extricating victims from a tactical or hostile environment during Tactical Evacuation Care.

Instructors at Fort Atkinson PD are certified through The Federal Law Enforcement Training Center (FLETC) in the Basic Tactical Medical Instructor Training Program (BTMITP)
