

DAAT Instructor

This course prepares Wisconsin Law Enforcement Standards Board (LESB) certified officers to effectively administer and teach the DAAT and POSC training programs. This course emphasizes teaching and learning techniques that promote active learning, support learners with a variety of learning preferences and needs and generate continuous improvements in teaching and learning. The goal of this program is to prepare certified officers who are proficient in using DAAT and/or POSC techniques to deliver LESB-approved curriculum.

Vehicle Contacts Instructor

Prepares Wisconsin Law Enforcement Standards Board (LESB) certified officers to effectively administer and teach the vehicle contacts training program, including the new standards for High Risk Vehicle Contacts. Emphasizes teaching and learning techniques that promote active learning, support learners with a variety of learning preferences and needs and generate continuous improvements in teaching and learning. Fort Atkinson PD trains and uses the LESB-approved vehicle contact curriculum.

EVOC Instructor

This 40-hour course trains and certifies instructors with the knowledge and skills necessary to design, develop, and teach the Emergency Vehicle Operations Course. This course follows Department of Justice, Training and Standards Emergency Vehicle Operations guidelines, objectives, and competencies for instructor certification.

Taser Instructor

This course trains and certifies instructors with the knowledge and skills necessary to teach and certify officers in the use of the Taser electronic control device as it appropriately fits within the Wisconsin Use of Force Model. Instructors are certified by Axon and receive bi-annual recertification training.

Firearms Instructor

Prepares Wisconsin Law Enforcement Standards Board (LESB) certified law enforcement officers to effectively administer and teach the handgun and rifle training program. This course emphasizes teaching and learning techniques that promote active learning, supports learners with a variety of learning preferences and needs, and generates continuous improvements. This is a comprehensive instructor training on the justification for the use of deadly force, and the function, disassembly, troubleshooting, cleaning, maintenance, loading, unloading, reloading, malfunction clears, transition procedures in handgun and the modern police rifle.
