The Fort Atkinson Police Department Cadet Program is designed to give local High School, University, or Technical College students who are seeking a career in Criminal Justice exposure to the career field. Volunteer Cadets will participate in simulated training consisting of, but not limited to, Traffic Stops, Wisconsin Constitutional Law, Defense and Arrest Tactics, Tactical Response, Radio Communications, Medical Response, and Criminal Investigations. Cadets will assist in special events happening in the City of Fort Atkinson and ride along with Police Officers to receive first-hand exposure. The position requires individuals who are highly motivated, possess good human relations skills, and have a strong desire to gain experience in the field of law enforcement. All Cadets are expected to maintain a high degree of professionalism, confidentiality, respect, and dedication while working with members of the Fort Atkinson Police Department.
