OOPS! Card Program

One area that officers can help reduce crime and prevent our citizens from being victimized by crime is to help identify and then point out areas of concern to property owners. We all have those Oops! Moments. Times where we leave our garage door open over night, leave valuables out in plain sight, or many other invitations to thieves. Many crimes related to theft and damage occur because we gave the criminal the opportunity.

Hopefully when you have that next Oops! Moment, it's our officers that catch it. If they do, you will receive an Oops! Card like the one below to help draw your attention to the issue.

OOPS!

While on patrol our officers noted the following oversight on your property which could be an invitation to thieves or burglars:

_____

_____

_____

_____

Address: _____

Date/Time: _____

Officer: _____

We appreciate your cooperation in correcting the above situation.
