READ WITH AN OFFICER

Fort Atkinson PDs very own Read With an Officer program is a collaboration with the Dwight Foster Public Library and the Hoard Historical Museum focused on literacy and positive youth interaction. The Fort Atkinson Police Department is a strong supporter of literacy and works hard to help encourage our community youth to read and be life long learners.

Come enjoy a few good books with Officer Enger or another one of our community focused officers at the Dwight Foster Library for monthly story time or the semi-annual pre-school events at the Hoard Historical Museum.
