2026-27 Plan Commission Meeting Schedule

The City of Fort Atkinson welcomes the opportunity to work with you on your land use, zoning, or subdivision project. The meeting schedule below serves to streamline the review and approval process and set realistic expectations for the applicant and City staff. The submittal deadlines are in three categories, based on the complexity of the application and any public notice and/or publication requirements in the City's Zoning and Subdivision Codes. The applicant must submit a completed application, review fee, cost recovery agreement (in the event that additional outside review by consultants is necessary), and all other documents required, as outlined in the application, by the deadline below in order for the project to be reviewed by the Plan Commission and City Council on the meeting dates shown. Please see the categories of submittals below the table. Note that staff reserves the right to move deadlines with proper notice, depending on workload.
